

Mr Arun Xavier's (AP, EEE Dept) LaTeX playlist in YouTube

Mr Arun Xavier, a young faculty member in the EEE Dept, is an enthusiastic populariser of the document preparation system LaTeX. He has given several talks, conducted large number of workshops and served as resource

person in seminars, etc. on LaTeX. He has created a collection of short videos dealing with different aspects of LaTeX and uploaded to the video repository YouTube. The videos are collected together in a playlist in his YouTube Channel. The Editorial Team of *News & Events* is happy to share with the readers of these columns the link to the playlist and also to the individual videos in the playlist.
