The treasure house is within us

IEDC of Vidya conducted an online talk on “Your treasure house is within; it contains all you’ll ever need” on 20 June 2021 in the Google Meet platform.

Joseph Murphy once said: “Infinite riches are all around you if you will open your mental eyes and behold the treasure house of infinity within you. There is a gold mine within you from which you can extract everything you need to live life gloriously, joyously, and abundantly”.

The talk was delivered by Ms Fathima Hyder, Mind Trainer and Life Coach, ADN Talks. Mind training is something that we need right now as the situation around us is getting worse day by day. The welcome address was given by the TCO of IEDC, Sooraj R. About 50 students participated in the talk.
