

# Webinar on blockchain

The IEDC of Vidya conducted a webinar on blockchain on 26 June 2021. Blockchain is a technology famous for its role in facilitating the rise of digital currencies over the past several years. The webinar began with a welcome speech

from the COO of IEDC Ifine Maria Abraham and the session was handled by Mr Alok K Venugopal, blockchain lead at Dlt Ledgers. It was a wonderful session for beginners and they could understand well the power of blockchain technology. After the talk by Mr Venugopal, vote of thanks was delivered by CTO of IEDC Sooraj R.
