

Great news from Placement Dept: Capgemini, a global consultancy firm, recruits four Vidya students

That is indeed great news from placement front!

Capgemini is a global leader in consulting, digital transformation, technology and engineering services. It is a French multinational information technology services and consulting company with headquarters in Paris, France. Recently they conducted their recruitment drive for the 2021 pass out batch and four final year students have been placed with this prestigious consulting firm. Congratulations !!
