

# EEE Dept organises training on fundamentals of CAD jointly with CE Dept

MS NIRMALA KRISHNAN

The EEE Dept of Vidya conducted a training session on “Fundamentals of CAD” on 27 July 2021 at 2 PM. The session was handled by Ms Nirmala Krishnan (AP, CE Dept). It was organised as an orientation for the students who had shown interest in the placement opportunity by Energy Space Renewables. The students have gained an overview about the fundamental CAD tools. They have also got an introduction to electrical circuit drawing using CAD tools. Ms Nirmala also shared study materials on CAD to the students for their future reference. Around 25 students of B Tech (EEE) 2017-21 batch benefited out of the session.
