

Vidya organises online model KEAM examination

Vidya is exceptional in conducting various programmes for the benefits of the student's community. As part of Vidya's Initiative for Better Engineering (VIBE-2021), an online KEAM Model Entrance Examination was conducted during

17 – 18 July 2021. As many as 1000 students registered for the test and around 700 students attended the test.

The aim of the test was to help the engineering aspirants crack the KEAM- 2021 easily. The KEAM-2021 examination has been scheduled on 5 August 2021. This is an additional initiative of Vidya to support students to achieve high KEAM score and eventually help them to secure admissions in prestigious institutions. The prize money for the model examination was Rs.4000/-, Rs.2000/-, and Rs 1000/- for the

first, second and third positions respectively.

The organisation of the MOCK TEST was well appreciated by the parents. The detailed score-card which included the number of positive answers, number of negative answers, positive marks, negative marks etc. was shared to the registered email id of all the students who attended the test.

The following students secured the highest scores in the Online Mock Entrance Examinations.
