

NBA extends accreditation of B Tech in CE and EEE for one more year

The National Board of Accreditation, the national body responsible for the accreditation of technical programmes in India, has accorded continued accreditation to the B Tech programmes in the CE and EEE Depts in Vidya up to 30 June 2022. This is based on the performance documents submitted by the College to NBA sometimes earlier.

The National Board of Accreditation (NBA) had decided that in case of all UG Engineering programs which were accredited up to 30 June 2021, the programs will be considered for accreditation for the Academic Year 2021-22 on the basis of the programs meeting the pre-qualifiers. The pre-qualifiers submitted by Vidya in respect of the B Tech programmes in CE and EEE were considered. The programs met all the parameters of pre-qualifiers. Accordingly, the Competent Authority in NBA approved the accreditation status to the programs.
