

Hemophilia Awareness Talk

The MCA Dept Association (ViCA Association), in association with Hemophilia Federation India, organised a “Hemophilia Awareness Talk” at 11,00 am on 08.09.2021 (Wednesday) via the ZOOM platform. The talk was delivered by Mr E Raghunandan, a functionary of the Hemophilia Federation of India. Mr P N Unnirajan (Director-Administration, VICT) formally inaugurated the programme.

The programme was organised as a continuation of a small charity work organised by the students of the MCA 2021 pass out batch as part of the annual charity work the Dept had been organising for the last several years. More details on the charity work of the students are available in a *News & Events* report published on 1 July 2021 and available at the link [HERE](#).
