

# CE Dept conducts workshop on Concrete Mix Design and Quality Control

The CE Dept of the College organized a one-day workshop on Concrete Mix Design and Quality Control on 7 October 2021 for S2 M Tech (Structural Engg) students. As many as 30 students from the M Tech batch, along with the staff members of CE Dept, participated in the programme. Prof Jayadevan V, Visiting Professor, CE Dept, handled the technical session and it was well received by the participants. This was followed by an interactive session. The participants visited the Structural Engineering Lab and they showed a keen interest in the experiments being conducted in the Lab.
