

ME faculty member publishes research paper in Elsevier's International Journal

Dr Sooraj K Prabha

ELSEVIER

A research paper titled "*Transport behavior of pressure-driven gas flow in a nanochannel and the variation of thermal accommodation coefficient*" and authored by Dr Sooraj K Prabha (Associate Professor, ME Dept) jointly with Mr Abdul Gafoor C P (Junior Research Fellow, ME Dept) and Dr Sarith P Sathian (Associate Professor, Department of Applied Mechanics, IIT Madras) has been published in the International Journal of Heat and Mass Transfer in Volume 177, October 2021. The journal is published by Elsevier Ltd.

More details on the paper is available [HERE](#).
