

Vidya's Placement Officer attends Xoriant organised Placement Officers' meet at Kochi

Xoriant, a US based product development company with corporate headquarters at Sunnyvale, California, USA and with the main Indian offices at Pune organized a Training and Placement Officers' meet at

Rajagiri School of Engineering & Technology (Autonomous), Kakkanad, Kochi. Ms Rini K R, TPO, represented our campus and participated in this meeting held on 12 November 2021. Xoriant is into technology based product and solutions services for their customers and is keen on expanding their presence in Kerala. Thereby, this is seen a great opportunity in the immediate future for students from Kerala to work with yet another leading product company.
