

Vidya gets appreciation certificates from Water Resources Department

Vidya students and staff members involved in the Karuvannur river project received an appreciation certificate from the Govt authorities for their committed and praiseworthy association with the Water Resources Department during November 2020 to February 2021 and for successfully completing the tasks assigned to them, namely, the field studies, water sample collection and analysis in the designated stretch of the river. The work was done in connection with the preparation of a DRP for abatement of pollution and rejuvenation of 21 rivers in Kerala.

News & Events report dated 27 January 2021
