

Vidya has been empaneled by PWD for investigation works: One more recognition for Vidya

Govt of Kerala has recently issued an order through its Public Works Department revising its earlier list of engineering colleges empaneled for investigation works under the Dept. The *News & Events* team is happy to report that Vidya's

name finds a proud place in the revised list which contains a total of 25 colleges selected from among all engineering colleges in Kerala including Govt, Govt aided, Govt controlled and self-financing colleges. The order was issued on 25 February 2022. This recognition is a result of the hard work the faculty and staff of the CE Dept has been putting in over

the last several years to make the Dept one of the best CE
Depts in Kerala!
