

MCA Dept bids farewell to outgoing students

Every year, after the Project Viva by the external experts, the MCA Department used to conduct a programme to bid farewell to the outgoing students of the Department. This year for 2020 admissions batch, it was conducted after their comprehensive viva on 31 August 2022.

The meeting was held at 03.00 pm on 31 August 2022. All faculty and staff of the Dept participated in the programme. It was truly an emotional experience. The Head of Dept, faculty and staff members spoke on the occasion and wished all the best for the outgoing students. Some students also spoke about how much the Dept cared for the students. It was followed by a sweet distribution to all students showing the love and affection of the department to all students.
