Determined efforts are being made by our placement team and staff members to place our students in respectable positions in the industry

It is with great pleasure that we share the placements for 2019 – 23 Batch have been started and our proud students became truly successful in the chosen field.

IBS Software is a leading SaaS solutions provider to the travel industry globally, managing mission-critical operations for customers in the aviation, tour & cruise and hospitality industries. IBS's solutions for the aviation industry cover fleet and crew operations, aircraft maintenance, passenger services, loyalty programs, staff travel & air-cargo management. IBS Software also runs a real-time B2B and B2C distribution platform providing hotel room inventory, rates, and availability to a global network of hospitality companies and channels. For the tour and cruise industry, IBS provides a comprehensive customer-centric, digital platform that covers onshore online and on-board solutions. IBS Software is a Blackstone portfolio company and operates from 15 offices across the world. After their recent recruitment drive for the 2023 graduating batch thirteen final students have been offered placements.
