

Hearty welcome to all first year B Tech Students: Induction Training Programme

The opening year in B.Tech education is an imperative time for all the newly admitted B Tech students (2022 – 26 Batch). It indicates unique phase in their learning, where they have been given control of the choice of what and where to study. Vidya provides quality education to the students through well experienced faculty and staff, excellent infrastructural facilities, digital library and well equipped laboratories.

The Induction Training Programme is co-ordinated by Vidya's Trainers Club, 'SAMEEKSHA' under the leadership of Mr Alex Chacko (Asst Prof, ME Dept) intended to explore the newly joined B Tech students at their level best and allows them to experience the joy of learning, stand up to peer stress, the base for character building etc.

The Inaugural session of Induction Training Programme 2022 was conducted on 19 October 2022 at 10.00am in the College

Auditorium. The welcome address was delivered by Mr Paul Chakola (Head, Placement and Training). Dr Saji C.B (Principal) presided over the function. Mr Suresh Lal (Executive Director, VICT) inaugurated the function. Dr Sudha Balagopalan (Dean-Academics) and Ms Nisha Valsan (PTA president) offered felicitations. Mr Alex Chacko (Convenor, Sameeksha and Asst Prof , ME Dept) proposed vote of thanks.

An interactive session on 'Effective Parenting' by Mr C K Suresh(Expert Student Counsellor) was also arranged for parents.

The Editorial Team of *News & Events* joins the entire Vidya family in extending hearty welcome to all the fresher students to Vidya and wishing all the best to shape up your life and career with an ardent hope that 'Let every 'Vidyaite' be a good ambassador of Vidya'!!!
