

# AIML Dept receives Freshers (2022 – 26 Batch) with great enthusiasm

Vidya has always focused on nurturing the talents of all our students. To understand the academic environment, the Dept of Artificial Intelligence and Machine Learning (AIML) organized a welcome event for the first year students of the department on 07 November 2022.

As the first batch of this department, this event is conducted with an aim to boost their confidence and to make their journey an exciting, successful and happy experience. Dr Sunitha C (Head, AIML Dept) addressed the gathering. Ms Aparna S Balan (Group Tutor), and Ms Jiji P J (Group Tutor) interacted with the students.

Gifts were given to the students as a token of love and to welcome the students who are about to start another new chapter in their academic life. Refreshments were also distributed.

Students who spoke on the occasion expressed their gratefulness about this gesture of Dept and they ensured to work hard in order to excel in their performance and come out with flying colors.
