

Vidya CSE students bag first prize in Excogitate Project Demonstration Competition

Vidya's sharpest young minds prefer to take a different path, to experiment innovate, and come up with something extraordinary which has brought many accolades to Vidya. The latest into this array is the first prize in Excogitate Project Demonstration Competition.

We are pleased to share the news that the students (Sriya Baburaj, Sreeram, Vrinda V, Vighnesh Nair) of S7 CSE Dept, secured first position in Excogitate Project Demonstration Competition in the TechFest 'NOVUS 2022' held at St Thomas college (Autonomous), Thrissur. The ceremony for the distribution of certificate and cash prize was held on 04 November 2022 at St Thomas College, Thrissur.

The Editorial Team of *News & Events* joins the entire Vidya family in extending hearty congratulation to Sriya, Sreeram, Vrinda and Vighnesh on this merited triumph and all the best to a new level of brilliance !!!
