

# VSEC Student Volunteers successfully completed the Students Internship Program

VSEC (Vidya Social empowerment Center), an initiative of Vidya International Charitable Trust, provides a platform to the students for a real-world experience that enables them to set everything they have learned into action.

The certificate distribution on successful completion of two months Students Internship Program on Sustainable Development under Energy Management Centre, Govt of Kerala was held on 04 November 2022 at District *Aasoothranabhavan* Hall, Ayyanthol. Mr P K David (Master, President, Thrissur District Panchayat) inaugurated the programme in the presence of Ms K S Jaya (Standing Committee Chairperson, District Panchayat Thrissur), Ms Sheena Parayangattil (Vice President, District Panchayat Thrissur) and Dr T V Vimal Kumar (Programme/District Co-ordinator, Energy Management Centre, Govt of Kerala).

Students from various colleges which included 22 VSEC student

volunteers and four students from EEE Department of Vidya were involved in the Internship Programme. The 26 students from Vidya were divided into group of 5 to 6 members each and they prepared a report of the two months Internship Programme which included 6 chapters as follows:

#### Program Report

CHAPTER – 1	Familiarization of Seventeen Sustainable Development Goals (SDG)
CHAPTER – 2	Visit to Grama /Block Panchayath , Collect The Information About SDG Program by the Panchayath – Clean Energy, Health Environment, Entrepreneurship Program ) – (Group Work)
CHAPTER – 3	Energy Program: Home Energy Survey -Minimum 10 Number – Individual Work
CHAPTER – 4	Collect the Data Of Electricity Usage of one Month In Your Home and plot a graph –(Individual Work)
