

# Civil Dept celebrates Association Day 2022 with great fervor

The Civil Dept Association plays an important role in providing right platform to students for exploring their skills and knowledge through curricular and extra-curricular activities and have been organizing training programs/ seminars/ workshops on latest technology to enhance the technical skill-set of students

The Civil Association hosted the annual association day organised by the newly formed association on 28 November 2022 . The program started with a prayer followed by welcome dance performed by the final year students. The chief guest Mr Kailas D (2011 – 15 Batch, CE Dept, Project Execution Head in TDLC Ltd. and a Freelance contractor as Civil Engineer Consultant and Builder), Dr Saji C B (Principal) and rest of the participants were warmly welcomed by Dr C Justine Jose (HoD, CE Dept). Later on the Principal's address, the function was inaugurated by lighting the lamp. Shortly after the

inaugural ceremony, Mr Kiran Babu A R (Staff convener of Civil Engineering Association and (Asst Prof, CE Dept) delivered the agendas of the academic year 2022 – 2023 and introduced the panel members.

The technical talk by the chief guest started right after the presidential address

After the talk, Cultural Events were performed by students of every year and the program came to an end with a musical band performance. The afternoon was filled with joy and vibrant performances.

The Editorial Team of *News & Events* joins the entire Vidya family in extending heartiest congratulation to the new panel members and wishing all the best for enlightenment of the CE Dept activities to greater heights!!!
