

# **KTU conducts second academic audit for the current semester**

To observe and improve the quality of professional education and to ensure accurate implementation of scholastic activities in colleges affiliated to the Kerala Technological University (KTU), the University conducts regular academic audits of all affiliated colleges. As part of this normal activity, the KTU conducted the second academic audit of the College for the current semester (2022-23).

Two external auditors deputed by KTU visited the campus on 25 November 2022. The auditors examined the academic functioning of the college and verified all associated documents. They have also interacted with the students and faculty members.

Dr Susanth C (KTU/IAC/IQAC Co-ordinator and Asso Prof, App Sc Dept) served as the co-ordinator for the smooth conduct of the auditing.

Hearty appreciations to  
all involved !!!
