

AIML students exert with enthusiastic energy during Dept Association Day 2022

It is always rejuvenating to welcome the first batch of AIML to a new milestone and motivate the student to build more milestones in the future. As time flies gradually, the first batch at present will be senior tomorrow, welcoming the new batch with care and warmth. Despite evident challenges, as no previous references for Association activities, the AIML Dept took it as an exciting ride, presumably to an entirely new system.

The department of Artificial Intelligence and Machine Learning (AIML) inaugurated its first student association for the AY 2022-23 on 08 December 2022. The programme was inaugurated by the chief guest, Ms Neha A S (Research Scholar, IIT Palakkad). She is doing research on the topic "Security in AI in neural networks processing medical images". After the formal

inauguration function, the chief guest delivered a technical talk on 'The AI Multiverse'. Dr. Sunitha C (Head, AIML Dept) welcomed the gathering and she emphasized the importance of having student association activities in nurturing the young talents of the department.

Dr. S. Swapnakumar (Head, ECE Dept) presided over the function. The Staff Coordinator, Ms Aparna S Balan introduced the office bearers of the AIML students association for the academic year 2022-23. Mr. Karthik M Girish, Ms Gayathri Vennakot Govind and Mr. Jasim Shadeej (S1 AIML Dept) were elected as the President, Secretary and Treasurer of the Dept association respectively. Later the president of the association gave a road map of the association activities for the AY 2022-23 and the secretary delivered a vote of thanks. A logo of AIML department association was released in the function.

The Editorial Team of *News & Events* joins the entire Vidya fraternity in extending heartiest congratulation to the new Association Panel Members and wishing all the best to AIMLA to start a new and fresh journey equipped with full of new opportunities, milestones, and achievements !!!
