

Vidya student serves as an International Volunteer for FIFA World Cup 2022 at Qatar

Volunteering at the FIFA World Cup Qatar 2022 was a prestigious and incredibly rewarding experience in many ways to our student Suryajit Sudheeran (S5, CSE Dept) as he was selected as an International Volunteer for the event.

With the previous experience of volunteering some events in Dubai, Suryajit registered and attended the interview conducted by FIFA followed by an online quiz programme. More than 50000+ volunteers were interviewed and 3000 international volunteers were selected around the world. His volunteering role was scheduled from 22nd November 2022 to 5th December 2022.

The Editorial Team of *News & Events* with the entire Vidya fraternity offers big round of applause to Mr Suryajit on this novel experience that gained him valuable skills, international experiences and friendships which will enrich his future endeavours !!!
