A COMPREHENSIVE SCHOLARSHIP SCHEME
FOR GIFTED STUDENTS*

SCHEME DOCUMENT

* A NEW AICTE SCHEME

WHAT IS THE SCHEME

- A comprehensive scholarship scheme, 'ROOTS' is instituted by the Alumni of the EEE Department of Vidya Academy of Science & Technology (VAST)
- To nurture gifted* & deserving students by assisting them financially, academically & professionally for a great future.
- To onboard 12 students to a program in Electrical & Electronics Engineering (NBA Accredited) at VAST through a selection process (applications & interview)
- To enter into an agreement with eligible students for guiding the students through a mentoring & monitoring process.
- To nurture the selectees from induction to placement/ higher education/ start-ups through academic & extracurricular, financial, professional & emotional support
- This scholarship will cover the full tuition fee; limited to Rs. 2 lakhs /student for the entire course duration of 4 years

WHO ARE INVOLVED

- The Alumni from the first 4 batches of Department of EEE, VAST, (Subsequent batches will adopt subsequent intakes)
- The current +2 pass-out students who apply for the program, book seats & secure admission in EEE program in VAST on a government/ management/ NRI seat.
- Staff & senior students from EEED, other college authorities, including the management

Return (to our Alma Mater)

Offer (our experience & expertise)

Open (new vistas for the mentees)

Train (the future generation)

Secure (a brighter future)

HOW DO WE PROCEED

- Candidates apply for seats in EEE at VAST through suitable entry schemes.
- Admitted students apply for the “ROOTS” scholarship.
- Alumni form groups for assessing applications, conducting interviews, and shortlisting candidates.
- The final list of selected students sign the agreement.
- Alumni and faculty actively engage in mentoring, academics support, financing tuitions, monitoring progress, advising on projects & publications, nurturing via emotional and talent support, and professional development for higher elements of a career.
- Nurture extra-curricular activities for personal & professional growth;
- Alumni seek possibilities to facilitate internships for these students in their workplaces like EV labs and facility management.
- Assess the whole journey and continue to keep an affectionate watch on each mentee by a mentor.

[APPLY NOW](#)

WHY DO WE CHOOSE YOU

- Because we have faith in the promise you show (application form, interview)
- Because we believe that our experience can make a huge difference to your career, personality, and approach to life
- Because we feel that through you we can give back to the department & the institution that nurtured us
- Because we think that as a huge team with all the combined brain power, will power and collective aspirations, will work wonders for you
- Because we are sure of success due to our successive achievements in the face of challenges we faced & expertise collected till now
